Dear Sir:

Pursuant to 37 C.F.R. § 1.56, submitted herewith are copies of nine (9) references cited in the enclosed European Search Report issued in a corresponding European Patent Application. For the Examiner's convenience, we have enclosed the corresponding U.S. references for those German references that do not have English translations and a completed Form PTO-1449. Those German references and the corresponding U.S. references are as follows: DE 39 42 623 and U.S. 5,045,744, DE 42 02 650 and U.S. 5,233,256, DE 41 05 997 and U.S. 5,153,477, and DE 1 806 124 and U.S. 3,549,913. Applicants did not submit a copy of the U.S. references as this is no longer a requirement.

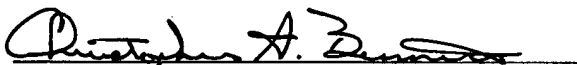

The statement is not a representation that all of the information cited is necessarily effective as prior art against the application.

Accordingly, no fee is necessary for the filing of this statement. Should the Commissioner determine otherwise, the Commissioner is authorized to charge Deposit Account No. 50-1353 for any fee shortages, including the petition fee under 37 C.F.R. § 1.17(p).

Applicants respectfully request that the disclosed references be made of record in the subject application.

Respectfully submitted,

Date: August 18, 2004
